Job Posting Information

REQ: [JobReq0399019](#)

Job Description

The Finance Systems team at Manulife manages a complex SOX compliant infrastructure with many inter-related components that provide the repository of financial information required to support the Source of Earnings and other general ledger financial reporting at MFC. They also support the Enterprise-wide critical cash management and treasury solutions including the banking interfaces.

Duties and Responsibilities:

The incumbent will be part of the Platform Technical support team on various tasks such as:

- Support of Vulnerability Management program. Assess and document security patches, update Server and Application inventory, update and consolidate documentation, IP address to server mapping and review periodical security reports.
- Reporting to senior platform analyst and under his supervision, provide application / system support for Finance & Treasury applications.

*****IT IS A MANDATORY REQUIREMENT TO APPLY THROUGH THE LASSONDE CO-OP PORTAL AND THE COMPANY WEBSITE. INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED*****

The incumbent will possess the following skills:

- Windows server and desktop operating systems administration. (Windows 10, Windows Server 2012, 2016 etc)
- Understanding of Microsoft and application security patching process.
- Middleware application knowledge is an asset (WebSphere, WebLogic, JBoss, Tomcat)
- Basic understanding of TCP/IP networking
- Detail oriented with strong troubleshooting and analytical skills.
- Flexible and adaptable when dealing with change and multiple priorities
- Ability and willingness to learn within dynamic and high paced environment

Skills and Qualifications:

Manulife is an equal opportunity employer. We strive to attract, develop and retain a workforce that is as diverse as the customers we serve and to foster an inclusive work environment that embraces the strength of cultures and individuals. We are committed to fair recruitment, retention and advancement and we administer all of our practices and programs based on qualification and performance and without discrimination on any protected ground.
